

**Meeting with Dr. Mircea Enache, the President of the International Urban Alliance, U.S.  
– 24 May, 2017**

On 24 May, 2017 the Romanian Regional Science Association organised, in partnership with the Bucharest-Ilfov Regional Development Agency, a special meeting with Dr. Mircea Enache, the President of the International Urban Alliance, U.S., who delivered the presentation entitled „Regional Dynamism from A to Z”.

It was followed by a presentation of the Regional Operational Programme-REGIO – 2007-2013 accomplishments and 2014-2020 perspectives for the Bucharest-Ilfov Development Region.

The event took place in the wonderful Age Museum – Cesianu House in Bucharest, whose renovation was supported by a REGIO project, co-funded by the European Regional Development Fund.
