

International Webinar: Presentation of the *Handbook of Proximity Relations*, delivered by Prof.Dr. André Torre
12 May 2022, 3:00 PM – CET – via Zoom

This international webinar, supported by the Romanian RSA in cooperation with the ERSA, took place on 12 May 2022, being virtually hosted by the Bucharest University of Economic Studies – Faculty of Administration and Public Management, under the auspices of the International Knowledge Fair, a traditional, big annual international event of this university. The guest speaker was Prof.Dr. André Torre from the Paris-Saclay University and INRAE, Agroparistech, the ERSA President, who presented the *Handbook of Proximity Relations*, edited by **André Torre and Delphine Gallaud** and published by Edward Elgar, 2022. The presentation attracted a large interest, an important number of participants from Romania and abroad - academics, researchers, PhD students, MA and BA students - attending the meeting.
