

Dear colleagues and friends,

The Romanian Regional Science Association warmly invites you all to participate in the 2012 World Congress of the RSAI, generously hosted by the Faculty of Economics and Business Administration, West University of Timisoara. We are proud and happy to be entrusted with the organisation of this great event in 2012, when the Romanian RSA celebrates 10 years since its admission as the Romanian section of the RSAI and a national section of the ERSA.

My colleagues and I assure you that you will find the traditional Romanian hospitality all around and, besides the invaluable scientific gains, the spirit of networking and friendship will be the hallmark of the congress.

We are looking forward to welcoming you to Timisoara in May 2012!

Daniela L. Constantin
President of the Romanian RSA
